# CLUB OF THE YEAR

**B**ehind all successful clubs is a well organised, dedicated, hard working band of volunteers who are all working together to achieving the clubs goals and objectives. It was no easy task for the AFLGCJ's Board of Directors to come up with this year's award recipient, however one club did manage to stand out from the rest. The following points are a list of positive attributes supporting this year's club of the year.

- A very proactive, friendly & approachable committee
- Large retention of players
- Home games run well
- All players and officials always in club uniform
- Punctual paperwork
- Excellent Club Awareness Activities
- Attendance at all courses & presentation
- Hosting of Localized Match Program and Auskick cluster days
- 3 teams in finals
- Always pay accounts on time
- Abided by Codes of Conduct
- Very competent Secretary, Registrar and SAS
- Always have 2 people attending meetings
- Well run programs & activities
- Accepting of AFL Queensland staff and operating suggestions
- Presence at School based Auskick centres
- Upgrade of facilities – new fences, coaches boxes and gym

After much deliberation the Club of the Year was rightfully awarded to the Broadbeach Cats Junior AFL Club.

Peter Frawley (President), Helen Munro (Secretary), Mark Falkner, Dale Perkins, Carl Barrile and the rest of the Broadbeach Cats committee and club volunteers thoroughly deserve all the accolades associated with winning the AFL Gold Coast Junior's Club of the Year for 2004.

To all involved with the Broadbeach Juniors, congratulations and we look forward to your successful association for many years to come.
